Really good event, key success stories and sponsors who could actually help the department.

GEO - Analytic Manager, Defence Infrastructure Organisation

The seminar provides useful advice and guidance on improving the working environment and mobile working.

Information manager, MOD

The opportunity to meet with so many of our existing customers, as well as potential, is invaluable. Furthermore the ability to exhibit alongside our partners and present new products/solutions to the delegates allows us to continue to add value to the exhibition. We look forward to next years event.

Business Development Manager, Qolcom Ltd

Interesting content and debates. Well organised sessions with good facilities and enjoyable lunch and a good range of perspectives.

Presenting Officer, DWP

Highly beneficial - allowed you to gain an insight into how other organisations are implementing smarter working and ways in which to monitor its success.

Programme Manager, Department for Education

Fantastic opportunity to gain an insight of what digital tools and techniques are available.

Project management, HMRC

I took so much from the day and something from every speaker. If you aspire to work smarter, attendance is a must.

Visiting Team Leader DWP

Very enjoyable event, a wide variety of different & interesting sessions providing lots of food for thought. Open & honest discussions & views shared.

Guidance Manager, DWP

An interesting learning day, particularly enjoyed the insight from Vodafone.

DWP

Great opportunity to share some best practice in a growing area of focus across government.

Operational delivery manager, Office of the Public Guardian

Informative and interesting. It was beneficial to hear first hand some of the resources and solutions available to obtain a better outcome.

Debt management officer, HMRC
