6 Degrees - Panel Sponsor

Six Degrees is a cloud-led managed service provider who works as a collaborative technology partner to government organisations making a digital transition. Always placing clients at the heart of its strategy, Six Degrees' passionate teams combine technical expertise and deep knowledge of the public sector landscape to drive innovation of public services. Six Degrees builds long term partnerships and has extensive experience delivering cloud-led solutions to Government Digital Service, Ministry of Justice, Crown Prosecution Service, Cabinet Office, Home Office, local regional governments and blue light organisations. It continually innovates the right solutions to enable clients' brilliance.
